PROPHETS OF OLD

First To See Coming Of Prince Of Peace

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — For centuries prophets have forecast the birth of a Christ Child and historians have made many references to the coming of a Messiah.

These are some of the names which have been applied to Him. Immanuel, Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace, The Lord of the Highest and Jesus.

Since the birth here today of the Wonderful child and the excitement and rejoicing that

Magi Followed Star To Find Son Of Mary

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — The mysticism and beauty of the Orient has mingled with the simplicity and reverence of a little town made holy by a divine occurrence.

Three sages from the East, impressive in the richness of their many colored silks and gold insignia, walked the dusty streets of Bethlehem today and told of their journeys across desert and plain to lay rare gifts at the feet of the tiny babe.

They spoke briefly and eloquently of the prophecy, "There shall come a star out of Jacob and a scepter shall rise out of Israel," and they described the brilliance and comet-like action of this star which had arisen in the east, and which they had followed until it halted over the Judean city.

These three Magi who bear the names of Caspar, Melchior and Balthazar, were familiar with the Hebrew prophecies which foretold the advent of the Messiah, and had long waited for the star, they said. To prepare for the promised King of Israel, they sold their possessions and equipped a caravan.

Last night, surrounded by humble shepherds and barnyard animals, they fell to their knees and worshipped the young child with great joy, and presented him with frankincense, myrrh and gold.

When they were asked if the commonplace surroundings seemed out of keeping with Christ's significance, Melchior, the wise man, answered:

"The King we seek is not to be found in the palace, nor among the rich and powerful. If the light of the world and the glory of Israel had been appointed to come with earthly splendor, it must have happened long ago. For no son of Abraham will ever again rival the power which Joseph had in the palaces of Egypt or the magnificence of Solomon throned between the lions of Jerusalem. But the light for which the world is waiting is a new light, the glory that shall rise out of patient and triumphant suffering. And the kingdom

DOGS AND SHEEP OVERCOME BY CELESTIAL RADIANCE

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — The shepherds' dogs and sheep were overcome also by the strange light from heaven last night, the men report.

'Mary Smiled At Me!' Simply Clad Boy Says

NAZARETH, Dec. 25 — Beginning of the Year of Our Lord 1. — A young boy—one of the band of shepherds which was visited on the hill near here last night by a heavenly host of angels who told them of the birth of the baby prophet, was a shy narrator of events transpiring at the stables when the presence of the child became known.

Roughly clad, and plainly awed by his part in the divine drama, he gave the only clear impression gained of Mary, the mother of the Holy Child. The other shepherds were too inspired, and the wise men from the East too preoccupied with the identity of the infant to notice details which the eye of a child seized upon.

"Everything seems so quiet in the stable," he replied to questions. "I noticed that even the pigeons didn't coo like they usually do."

"Did Mary or Joseph say anything to anyone?" he was asked.

The lad flushed then confided: "Joseph asked me to help him fix the hay so it would be more comfortable, and then Mary smiled at me after she had been looking at the baby, and so I asked her if they didn't have better places in the inn. She answered low-like: 'There wasn't any room for us.'"

"I felt sorry for her; and then she smiled again and just whispered: 'But I like it here. The inn was so noisy, and the streets are full of loud people. The animals are peaceful. You mustn't feel sorry for us.'"

"I still feel strange. It is as though something too wonderful to talk about has happened to me, I can't explain it. But I feel so peaceful inside."

Messiah Comes Into World Torn By Internal Strife

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — Christ was born last night. They say he is a King. Into a world torn with strife, into a dictator-ridden country that trembles at the clashing swords of Rome, has come the ray of light so long awaited by the troubled people.

It is a far cry from the golden pillars of Solomon's temple to the crude stalls of a cattle barn.

For hundreds of years the memories and tales of the glories of ancient Jerusalem have been treasured in the hearts of a scattered race. For generations they have unrolled their papyrus scrolls and reassured themselves that one day a Redeemer of Mankind would restore their kingdom. With mighty armies He would vanquish a tyrant Caesar, and rebuild their shining city.

They thought of him in terms of shining raiment and a golden throne; they didn't expect swaddling clothes and manger hay.

They could see him proclaimed by heralds with silver trumpets; they didn't think his companions could be rough-haired oxen and sleepy-eyed goats.

They expected urns of smoldering incense, but not the aroma of a stable.

Multitudes would prostrate themselves on the ground in His presence, they believed; they didn't suppose that a hardy innkeeper would suggest that the royal family sleep in the barn because all of his rooms were full of taxpayers.

Some say that this baby born last night to Mary and Joseph of Nazareth couldn't possibly be the Messiah foretold in Scriptures. But there are others who remember the words of the prophet Isaiah, of Jeremiah and of Micah and with unshakable joy hail Him as the Saviour of Israel.

Mary And Joseph Both Descendants Of Royal Line

NAZARETH, Dec. 25 — Beginning of the Year of Our Lord 1. — Although Mary, mother of the Saviour, and her husband, Joseph, live among the humble folk here, where he is a carpenter, they are of the royal family of Judah and the descendants of King David.

The Jews keep exact lists of their genealogies thus explaining the present situation.

For the old prophets said that the Christ child was to be born at Bethlehem whereas Mary lives in Nazareth 50 miles distant. But when the Emperor Augustus called for the regular 10-year census he ordered Herod to register the people according to the tribe to which they belong. Mary and Joseph belonging to the family of David were required to go to Bethlehem.

Shopkeeper Has Doubts About Jesus

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — "All the excitement has made more business for my shop but I do not believe he is the Christ."

That was the opinion of the proprietor of a small shop here who has not yet visited the now-famous birthplace of the infant Jesus.

"I really believe this is just something arranged to make more entertainment for taxpayers' week," he went on. "Why, the true Christ will be so mighty that there will not be a doubt by anyone when he comes. That light was just a falling meteor and those sleepy shepherds were startled by it. You know how a story can grow."

He said he had been too busy to go along with the crowds to the stable, and added that the innkeeper would probably have more business than ever.

"I have an extra room here at the back," he said thoughtfully. "If I had only known —" and he hurried to wait on a customer.

Lowly Shepherds With Flocks On Nearby Hills First To Note Miracle Of Celestial Visitation

Long-Awaited Messiah Born in Lowly Manger

The Christmas issue today tells the story of Christ's birth as it might have been told if modern newspapers had been printed at that time. Today's current news appears on inside pages. The Bethlehem story was mainly

written several years ago by a newsman and its use has become a tradition with us. The dispatches are based on the story of the Christ child as it was originally written.

Herod In Dread, Seeks To Delude Sages From East

Manger Miracle Told Over And Over As Groups Collect

JERUSALEM, Dec. 25 — Beginning of the Year of Our Lord 1. — An apprehensive Herod sits on the throne of Judah, and is much disturbed at the miraculous birth of Jesus in Bethlehem.

This was brought to light with the recent visit here of sages from the East who were seeking the newborn King of the Jews. Having heard of their inquiries, Herod hastily called together his chief priests and scribes who write the laws, and demanded them to tell him more of the prophecies of Christ's coming.

Then he summoned the wise men for questioning, and led them to believe that, if they would go to Bethlehem, discover the Child and return and tell him about it, he would journey there himself to pay homage.

Those who heard Herod's interview with these Eastern wise men say he was given only evasive answers.

Political commentators say it is understandable that Herod should feel uneasy at the rise of a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome.

The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions and controls about all in this part of the world that is worth taking. This has occupied the minds of the people, but has increased Roman extravagances. Palestine is one of these conquered countries and Herod is the King of Augustus's own choosing.

Some regard Herod's fear of a ruler who will overthrow him in a material sense as being unfounded.

They maintain that the significance of the Messiah is spiritual rather than political, and point out that he has always been prophesied as a Shepherd of Souls rather than a military deliverer.

Herod's nature, these commentators say, makes it impossible for him to understand a Prince of Peace.

GREAT JOY PERVADES CITY OF BETHLEHEM

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — It is impossible to describe the feeling of great joy that pervades Bethlehem today as the coming of the long-heralded Messiah is realized by the majority of its inhabitants.

The shepherds probably experienced the most poignant

sensation for it was to them that the news was first given. The little group who were guarding their flocks from foxes and wolves that still roam the hills of Palestine, speak with great wonder of last night's message from the sky.

The amazing light together with the chanting of a heavenly host has brought on incoherence to their speech; but the radiance of their faces is more impressive than any words could be.

"An angel of the Lord suddenly flashed before us and the glory of the Lord shone all around us," one of them said.

"We were frightened but the angel said, 'Have no fear. This is good news. I am bringing to you news of great joy that is meant for all the people. Today you have a savior born in the town of David, the Lord, Messiah. And here is a proof to you: you will find a baby wrapped up and lying in a stall for cattle.'"

"Then a host of heaven's army suddenly appeared beside the angel, extolling God and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'"

"Having sung this song, the angel went back to heaven, the light faded away, and all was dark as before."

"We began talking together about these strange sights and sounds," the shepherd related. "We didn't stop to think what would happen to our flocks, or wait until morning, we went at once. When we saw all was as the angel had said, we told everyone about it."

Star of Bethlehem

by Mabelle Gigliotti

He came to dwell among the poor and insecure:

He at whose birth the hope of Earth was born.

Bleeding and torn, he said, "Forgive and live!"

Forget yourself and find my joy of heart,

My peace of mind."

O, Star of Bethlehem, Hope is not yet past,

Guide us 'till we are freed from envy, fear and greed.

To peace at last.

Brilliant Star Presaged Secret Mystery Of Birth

JERUSALEM, Dec. 25 — Beginning of the Year of Our Lord 1. — Eminent astrologers here admit to the appearance of a new star. They say that at infrequent periods such stars, or novae, as they term them, suddenly appear with great brilliance, are evident for a time, then fade away.

Last night's star, they explain, resulted from the conjunction of two great planets, Jupiter and Saturn.

MAGI'S WISDOM IS GREATEST IN WORLD DECLARES CASPAR

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — This is what Caspar, one of the wise men, said about their belief:

"The wisdom of all the Magi is the greatest of all wisdoms on earth, because it knows its own ignorance. And that is the secret of power. We worship fire as a symbol of Him. We keep men always looking and waiting for a new sunrise, but we ourselves understand that the darkness is equal to the light and that the conflict between them will never be ended."

Herod's Spies Said Departing Hurriedly For Jerusalem

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — Several known spies and two synchophants of the court of King Herod, who for the greater part of the morning have been furtively watching the stable wherein the King of Glory rests in his swaddling clothes, left on camels bound presumably for Jerusalem.

Herod is known to be extremely interested in the journey of the Magi to Bethlehem.

Eyes Of All Judea Turn To Bethlehem As Word Spreads

Appearance Of Star Convinces Inhabitants New Baby Is Prince

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — The eyes of all Judea are turned with awe today upon this little town as word emanates from it that the long prophesied Messiah was born here last night.

Miraculous happenings and visitations of heavenly hosts which confounded them with radiance and divine song, lead inhabitants to believe that this is the prince of the throne of David, who Scriptures have said, will reunite the scattered tribes of Israel and reign over them as the son of God.

The appearance of a new star of Great Magnitude and luminescence, convinced them that it portends to the ancient prophecy.

The infant, born to Mary, a Jewish girl from Nazareth, who is the wife of Joseph, a carpenter, was first discovered by a group of shepherds who received the news of His birth from a band of angels while they were tending their flocks in the low lying hills outside the city.

Descending in a blaze of heavenly glory that prostrated the little group of men and boys with amazement, the divine visitors told them not to be afraid but to go to the stable in Bethlehem, where they would find the Christ in swaddling clothes and lying in a manger.

This the shepherds did, being guided all the way by an angel. There they found the child, but recently born, with his parents and stable animals. So deep was the conviction of the angel's message upon them, that they immediately accepted him as the promised Saviour, and fell upon their knees and worshipped him.

Following in quick succession the visit of the shepherds was a caravan of wise men, or Magi, from humble birthplace bearing jewels and precious gifts. To them too, this was a long-awaited event, since they are close students of astronomy, and were watching for the star. When it appeared they regarded it as the sign that the child had been born which the prophet had foretold.

While the largest part of the population here is talking of the event in tones of unsuppressed awe, and plainly regard it as a means by which they will be delivered from their Roman oppressor, there are many who are frankly skeptical. They feel that the future Christ will come from a more significant source.

The whole atmosphere here has been one of unusual excitement for the past few days since that was the time decreed by Augustus Caesar for all taxpayers in Judea to be registered. Mary and Joseph, being of the house of David, were required to come to Bethlehem, and although Mary was an expectant mother, and the 50-mile journey from Nazareth in Galilee was extremely arduous for her, the urgency of the order was such that they dare not say no.

From the meager details gained from keepers of public places, it appears that Joseph had failed to make any reservations for lodging. The low temperature of the winter night forced them to the stable where they made themselves as comfortable as they could in the straw. They suffered no ill effects from the experience, however, and those who visited the little family after the birth became known, report that an aura of light transformed the dingy surroundings into a place of beauty.

Mary indicated that she would call the child Jesus.

In the person of the child born of Mary, God placed His own Son among men in order that we might be redeemed from sin and receive eternal life. When you approach the cradle at Bethlehem, come prepared to receive the free gift of God's forgiveness. Come prepared to give your heart and life to Christ.

New scientific discoveries only point evermore surely to the presence of a Divine Being... God, declares Dr. von Braun in the film.

CHRISTMAS TRAIN — Holding toys donated by third grade youngsters in Mrs. Ilene Carpenter's Spring Valley Elementary School class to San Diego area patients at Patton State Hospital are, left to right, Alan Hanning, Bonnie McKee, John Belden, and Robin Carter. Toys will be given by patients to their own youngsters.

Third Graders Collect Toys For Needy And Add More Meaning To Christmas

It all began with a Dec. 4, 1964, newspaper clipping which Mrs. Ilene Carpenter, third grade teacher at Spring Valley Elementary School, read to her youngsters. It was a story of a Chula Vista boy who, during recuperation from pneumonia, promised himself that he would give some of his favorite toys to children less fortunate than himself. His toys were delivered to indigent patients from the San Diego area who are patients at Patton State Hospital. Parents will use the toys as Christmas gifts for their own youngsters.

Light Rain, Heavy Tremor Recorded

A light rain fell on Lemon Grove-Spring Valley areas Dec. 18 and 19 for a total of .11 inches. An early morning shower Dec. 23 brought the season's total to 1.80 inches. The season starts July 1 each year.

Last year, during the same period, rainfall totaled 3.45 inches.

Rainfall records are kept at the official weather stations at local fire stations.

The earthquake which rocked and rolled the local areas at 12:45 p.m. Tuesday resulted in no damage here. Local fire stations said that many calls were received regarding the heavy tremor but none reported damage.

Kiwanis Float In Rose Parade

Kiwanis Clubs of the California, Nevada, Hawaii district mark their Golden Anniversary by presenting a float of gold flowers in the Rose Parade next week.

The float will be in the form of a giant scroll according to presidents of clubs in Spring Valley and Lemon Grove. It will be made up of two shades of yellow and bronze gold mums 17 feet high. The float will be 55 feet long and 20 feet wide, the maximum size allowed in the parade. A pivoting 10-foot Kiwanis emblem will be dedicated to "50 Years of Community Service." Two statues, 16 feet tall, made of yellow gladiolus petals, will prefigure men of strength and will stand near the rear of the float. The Kiwanis emblem will be made of petals from 5,000 white chrysanthemums and 25,000 yellow gladiolus. Fifteen thousand yellow roses in a field of 6,000 white orchids will be used for the floor of the float.

The float may be seen in color over NBC and CBS according to local Kiwanis club presidents.

Ken Conrad is president of the Lemon Grove Kiwanis club; S. V. Fire Chief Frank Berger is president of the Spring Valley club.

Bank Ups Interest On Savings Accounts

SAN DIEGO — United States National Bank, with deposits of more than \$230 million, announced an increase in rates paid on "passbook" savings accounts to 4% per annum, according to Bob Dryden, manager of the Lemon Grove branch.

C. Arnholt Smith, president and board chairman of the 33-office 5-County Southern California banking system, said the new rates will be effective beginning Jan. 1, 1965, and will be computed and compounded on a quarterly basis.

The rate boost action was announced following the regular monthly board of directors meeting.

United States National last increased its savings account interest payment rates in January, 1962, from 3% to 3 1/4% when total deposits were \$150 million.

The bank has offices in San Diego County, Orange County, Los Angeles County, Riverside County, and San Bernardino County.

LG FOSTER FAMILY CONTINUES TRADITION OF GIVING A HOME TO CHILDREN AT CHRISTMAS

History is repeating itself this Christmas in the Max and Lena Anderson foster home.

They again have a family of young children to make their Christmas complete. It was six years ago that Lena Anderson telephoned the Foster Home Section at the Welfare Department saying she did not see how her family was going to get through Christmas without any little ones, (their own three daughters were teenagers then). This would be the first Christmas they had not had some "little kids" to trim a tree for and fuss over.

For the past eight years they had always had foster children in their home; but when their last foster family had left them that summer, Mrs. Anderson, who had always been a homebody, decided she'd like the experience of working in a store for a while.

As the holidays approached, however, her family was feeling more and more forlorn. The Andersons have room for four children, and very few foster homes can take this many youngsters; so when she called the Foster Home Section a short while before Christmas it seemed like a miracle. There

had been a family of four, three brothers, seven, five, and two and their baby sister, waiting in Hillcrest Receiving Home for over a month for a foster home.

The Andersons were the best Christmas present these little tykes had ever received, and continued to be parents to them for three years, when it was possible to reunite them with their own father.

Now again this year, because of circumstances in their own family situation, two little brothers and their baby sister would be spending Christmas in Hillcrest Receiving Home, if it weren't for the fact that three vacancies have occurred just in time, in the Andersons' foster home.

Actually, foster parenting makes many demands upon a household, and it is a never-ceasing wonder that, so many families, like the Andersons are willing to open their hearts and homes to children in our community who need them. Lemon Grove is an outstanding community for offering foster homes. Some of these homes who have been licensed foster parents for fifteen years or more are Imogene Chambers, Frank and Mildred Gracia, Elizabeth Pipes and Fred and Rose Weber.

Lemon Grove's other foster families who have been caring for children anywhere from one to ten years or more are: James and Anna Elliott, Rudolph and Esther Chesnik, Frank and Mabel Conwell, James and Blanche Dargitz, Albert and Eleanor Denlinger, Harold and Alberta Drew, Harold and Geneva Eddy and Vincent and Marilyn Foley.

Also Gerald and Rena Gauert, Donald and Rebecca Perkins, Frank and Viola Pierce, Francis and Marion Preble, Blaine and Virginia Rusk, James and Belores Tate and Archie and Frances Young.

Norman and Evelynne Hada, Frank and Tommie Hastings, Harry and Elizabeth Hines, James and Willie Humphries, Robert and Colleen Hughes, Steve and Doris Marquez and Thomas and Sharon Simmons.

Christmas Seals Help With Medical Research

Animal lungs someday may be used in the treatment of acute respiratory distress—such as that which attacks newborn infants—if research now underway in California works out as expected.

Local Christmas Seal contributions are helping to support this vital investigation, which may also uncover new treatment for breathing distress caused by asthma, emphysema and acute pneumonia according to Dr. Kenneth G. Hanson, Lemon Grove area campaign chairman.

Range Stolen

Russell Leech reported to sheriff's deputies that a gas range was stolen from a house he has for sale at 4546 Calavo dr., Spring Valley.

Leech said the range was worth more than \$200. He said nothing else was removed from the house.

Mail Returned

Phyllis Floridi of 9052 Frederick st., Spring Valley, reported that Christmas mail she had placed in her mail box to be mailed had been taken from the box and torn open and thrown in bushes along her garage.

It was assumed that whoever took the mail was looking for money.

Bike Gone

Donald Timothy Shaw, 11, of 2049 Madera st., Lemon Grove, reported that his 20-inch purple bicycle was missing.

He told officers it was taken last week from a parking lot at the rear of 7961 Broadway.

Money Taken

Roy Jerome Turner of 3441 Harris, Lemon Grove, told sheriff's deputies that someone entered his home last week and took \$26 from a desk in a bedroom.

Parking Lot Thefts

Two thefts were reported last week from the Mount Miguel Parking Lot. Laurel K. Detker of 7860 Carlisle, Lemon Grove, reported an \$18 loss from an unlocked car and Wesley Kilcrease of Chula Vista reported the loss of hubcaps.

SANTA ON WHEELS — Santa Claus took over the duties Friday on a school bus normally driven by Mrs. Ester Sperling. In addition to driving children home from Golden Avenue School, Santa gave them goodies as they got on the bus. This was not the first time for Santa to drive a bus in Lemon Grove. Last year and on other previous years Santa has made the same bus trip here.

John Dail Shows Improvement

John Dail, 52, a Lemon Grove insurance man, was still listed as "critical" at Grossmont hospital where he was taken Dec. 13 after he collapsed at home in bed. He lives at 3240 Olive st.

In spite of being listed as "critical", family members said that he is improving. He was able to sit up Tuesday.

Dail was taken to the hospital shortly after midnight after his wife found him unconscious in bed. The Lemon Grove Fire Department resuscitator squad was not able to return him to consciousness after administering oxygen. He was in a coma at the hospital for about a week, a family member said. His physician, Dr. Simon Brumbaugh reported the illness as pneumonia.

Dail is permitted no visitors.

A2/C Donald Spooner Home For The Holidays

Home for Christmas is A2/C Donald Spooner, son of Mr. and Mrs. Walter Spooner of 7062 Casa Ln., Lemon Grove.

Airman Spooner arrived Saturday from Sheppard A. F. Base where he works on an electronic ground simulator for electronic warfare officers. The officers are part of the crew of B52 bombers. He returns Jan. 6 to his base where he will finish a year and eight months of his four year obligation.

Airman Spooner attended Helix High School before entering the service.

A CHRISTMAS STORY

Drab Lives Brightened By 'Family-To-Family' Aid

A family-to-family Christmas program is warming the hearts of many Tijuana people this year.

Its concept is as simple as its effectiveness is great. It's the fourth year of the Casa de Todos project in which area families gather together basic necessities and deliver them in person to needy Tijuana families. These families live in poverty stricken Colonia Aleman.

The project is spearheaded by Mr. and Mrs. George Cremer of 8540 Troy st., Lemon Grove and is operated under the guidance and aid of the La Mesa Methodist Church "although a number of area churches, and a great many local people are taking part in it," Cremer said.

This year baskets of food, clothing and some toys are being distributed to 833 Tijuana folk. Saturday, 42 area adults, and their children distributed their largess from two 3-ton trucks in the Colonia Aleman district of the city's slums.

Many benevolent groups have administered to Tijuana's poverty stricken masses who live as squatters in the city's outlying canyons, Cremer pointed out. The group which made the trip Saturday was associated with the Methodist church in La Mesa, in its annual Family Food Caravan.

Last year this program administered to 117 families. This year the number grew to 123. Families live on such unlikely named streets as Canyon del

Sol and Mar Ego. The streets are rugged and rocky and it took the strong teenagers of the church to carry the heavy baskets up the canyon sides to the little shacks. One crew of the group installed at least one concrete slab over the top of the floor of a fully occupied shack.

Last Saturday when more than 800 men, women and children, grandmothers to infants, were given food and parcels, they enjoyed at least a momentary ray of light in their drab lives. "It gave some their first hope," said one of the group.

The beneficiaries are the city's lower classes, destitute and hungry. Many came to the city from the interior, hoping to find work that was non-existent. Hope came with the knowledge that somebody cared. Now, some of the females are beginning to earn an income performing housework for their family-to-family American friends.

"It has been a rewarding program," an American member said. "Some very warm friendships have developed as a result," he added.

Many children of tomorrow's Tijuana will remember the kindness of the Americans of the Colonia Aleman project and the tie of international friendship will be more firmly cemented.

The project has a happy Christmas air and those Americans taking part in it are probably having the happiest Christmas of us all.

GOP PHILOSOPHY HURT BY HEAT OF ELECTION L.G. REPUBLICANS TOLD

Duane Degen of Republican Associates and a practicing attorney, highlighted the combined social-business meeting of the Lemon Grove Young Republicans with his topic, "Challenge of 1965".

Services Planned For SV Man Lost While On Sea Duty

Plans are being made for a memorial service for a Spring Valley man lost at sea Dec. 17. He was Joseph Calescibetta, 35, of 747 Osage st. A gunners mate, second-class, Calescibetta was serving aboard the destroyer Wedderburn in the China Sea when the tragedy occurred.

While doing some work on the ship his safety line failed to hold him and he was washed overboard. He was thrown the life ring but when the ship turned about to find him all they found was the ring. A spokesman for the Eleventh Naval District said the ship was in an area many miles from any land so it would have been impossible for Calescibetta to have reached any land.

Air and sea craft searched the area for three days and nights before giving up the search. He leaves his widow, Nadia, and seven children.

Degen stressed that in the heat of the election the Republicans' conservative philosophy was not adequately put across to the American people. Conservative concepts such as freedom of the individual, opposition to bigger government and the growing welfare state were sidelined by attacks on personalities and fear of atom war. He emphasized that by joining groups such as Young Republicans young people can best preserve and strengthen our American way of life. This is accomplished by giving young people direction. Only by informing and educating acquaintances will we be able to swing the tide against the rising forces of socialism and the welfare state, Degen said.

Dr. Ed Grubbs, club president, considered the combined social-business event very successful. "We had a good time, heard an excellent presentation by Mr. Degen, and signed up eight new enthusiastic members. Our January meeting should also be excellent. At that time, we will formulate plans for the year and launch a project," he stated. YRs invite all those between 18 and 39 who are interested in helping the Republican Party to attend the January meeting on the 18th at 7:30 p.m. at the Lemon Grove Medical Group building, 3240 Main st.

The DIMMER VIEW

by MAX GOODWIN

Picture of J. Edgar Hoover's Halfway Americans

FBI Director J. Edgar Hoover hit the nail on the head during the week-end when he denounced "halfway Americans" who insist on every right and privilege but refuse to accept responsibility.

He was not only referring to those who were out-and-out un-American, but he was talking about that big gob of slob who take no part in making this nation a better nation, and making this society a better society.

"Spineless indifference, apathy and neglect of civic duty is a national disgrace," he told a New York group.

The FBI director is right!

We've come a long way from honesty and integrity for which there seemed to be a reward of pride.

Nowadays, with the cult of the easy buck and easy morals, people don't want to be disturbed by honesty and integrity. Parents encourage dishonesty by showing disinterest when moral issues come up among the younger generation. The Average American has changed in a generation from one of a lean, sinewy, hardworking family man to a sloppy guy, fat from beer and an easy job, living with easy credit that averts the hard-line fiscal limitations applied by cash payment.

Sure, this guy carps about the way the town, the state and the country are run, but ask him to help get any part straightened out and he'll give a fishy-eyed stare that leaves no doubt but that he couldn't care less about giving a helping hand.

So painful is the demand that comes of prideful, decent living, that even those who suggest morality are attacked. J. Edgar Hoover is suffering the most reprehensible attack of his career because of the moralistic preachment he utters. It is painful for the present day Average American to pull himself together to measure up to time-tested moral levels. It's easier to give solace to those who would degrade the leader who reminds them of their laxity.

Far from being an old-fashioned fuddy-duddy that a weaker generation would have you believe Hoover is, he is rather a constant pin-prick to the conscience of of those who know better but have become too relaxed to do anything about it.

Letter To The Editor
Dear Editor:
Christmas time comes but once a year,
When most consider it a time of great cheer.
There are those who use it as an excuse to get drunk,
Then there are those who declare it just plain bunk.
Most of us believe it's the birth of our Lord,
We will bow down our heads and lay down our swords.
We will give thanks to our God, That He gave us His Son.
And pray for the day when, They will be done.

Children Take Part In PTA Program At Lemon Grove Jr. High

The December meeting of the Golden Avenue PTA was attended by a capacity crowd at Lemon Grove Junior High School. The students of the school participated in a Christmas program, spelling out the words Merry Christmas, each room taking one letter to depict. A chorus selected from the 4th, 5th and 6th grades and directed by Mrs. Ilse Hanning and Mrs. Judy Johnson furnished a musical background. Mrs. Virginia Long was the accompanist. Of special interest was the Fourth Grades presentation of "A Christmas Lullaby" composed by and accompanied on the violin by Mrs. Brullo a 4th grade teacher.

Mrs. Linda Hughes, child welfare chairman of the unit, is leading the work of furnishing Christmas for a needy family. A turkey donated by the executive board will part of a complete Christmas dinner, plus many cans of food brought by the children, new clothes as needed will be purchased, and toys and other items will be furnished.

Santa visited the school parties and gave each child a small gift from the PTA.

Holiday Spirit Felt At Continuation High

The spirit of Christmas is taking on an outward, as well as an inward, form at the Grossmont Continuation High School this year. The school's 250 students are participating in a number of projects to demonstrate their interest in the holiday season. Boys have constructed lighted decorations depicting Santa Claus and his reindeer-led sleigh for the tops of the quonset huts. The girls are collecting Christmas cards to deliver to a local radio station: for each fifty cards, a turkey will be delivered to the Salvation Army for a needy family. At present, almost four hundred cards have been contributed. In addition, canned goods are being brought to the school to help make the holiday menus of those less fortunate a bit brighter.

The Grossmont District is proud of the accomplishments of the Grossmont Continuation High School. Classes have met in the quonset hut facilities at the corner of Cuyamaca and Mission Gorge Road for the past three years. Students attend the school either by personal referral or by involuntary referral for adjustment. The dropout rate in the Grossmont District has decreased by fifty percent since the Continuation School has been in operation.

The school's program is organized to handle each student individually. A semester system is not enforced, and students work entirely at their own rates of speed and at their individual levels of ability. Classes are smaller than in the regular high schools, thereby allowing teachers to work personally with each student.

ELECTRICAL WORKERS

An examination for aircraft electrical workers will be held for filling vacancies as they occur at the U. S. Naval Air Station, North Island.

Applications can be filed with the Civil Service Representative, U. S. Naval Air Station, North Island, San Diego.

ROSE PARADE

A trip to the Pasadena Rose Parade is planned by the Century Travel and Photographic Club of San Diego.

The tour leaves La Mesa at 2:30 a.m. and from 30th and El Cajon Blvd. at 2:50 a.m.

For information or reservations call Mr. or Mrs. Eldon Goodall, 469-1623.

Special Hours Begin At Motor Vehicle Office

Evening driver's licensing service at the La Mesa office of the Department of Motor Vehicles will be suspended on Christmas Eve and New Year's Eve, and throughout the annual period.

Manager L. F. Williams said the office at 4265 Palm ave., La Mesa, will resume service on Thursday evenings until 6 p. m., beginning Feb. 11.

New Post Begins Scout Activities

On the weekend of Dec. 12 the newly formed Explorer post of St. John of the Cross Men's Club joined Troop 168 on a two-day outing to Painted Gorge near Coyote Wells. During the day the Explorers helped the younger boys with their Scout-ing skills and joined with them in games after a hearty supper.

On the next Friday the post was asked to perform the flag raising at the troop's annual Court of Honor and Christmas party. Taking part in the opening ceremonies were Charles Sohr, Dave Joynet, and John Bierly. Two Explorers who are continuing on the trail to the Eagle rank received awards towards that goal. They are Reno Harnish and Steve Lemire who received a Camping Merit Badge and Life Scout respectively. The Explorers also helped to honor Reno Harnish who served for over five years as Scoutmaster of Troop 168.

Other members of the post are Ronnie Hall and Mike Lemire. Public service is the proposed theme of the group which is being advised by Vic Hall.

Preparations Made For May Convention Of Parents, Teachers

The pages were chosen for their dress sizes of 10-14 and their willingness to serve for the duration of the convention. They will wear uniforms for easy identification.

Mothers chosen from Valley Grove council are: Mmes. Ronald Duncan, Donald Paine, George Whyte, and Samuel Gaglian. Mrs. James Lee of Lincoln has also been chosen.
